

# Learn How to Spin Your Own Yarn!

## Beginning Spinning Classes

Four sessions – weekly

**Day and Time:** Tuesdays, 6-9pm – starting Tues, November 10<sup>th</sup>

**Location:** Hartung Community Hall in Ester—it's easy to find, we'll give you directions!

**Class Cost:** \$140\* (\$35 per session)

Materials Cost: \$40 (this will cover the cost of a selection of wool for spinning – students who have their own wool to spin can skip the materials fee)

Students Should Bring: A functional spinning wheel, 3 bobbins (minimum) – NOTE: Calypso has spinning wheels available for monthly rental– wheel rental cost is \$70 for the month.

\*Calypso Members receive a 10% discount on the class cost—ask about becoming a member!

## Class Description

Learn how to create your own yarn! This series of classes will introduce students to spinning yarn on a spinning wheel. The classes will cover an overview of how the spinning wheel works, preparing fiber for spinning, how to spin a continuous yarn and how to create a balanced 2-ply yarn. Students will be encouraged to practice between classes and will gain the foundational experience needed to go on to become a versatile spinner.
